

THE DRAGON 100™ PATH

The 5 Stages of Evolution Every Company Goes Through to Hit \$100+ Million a Year

In business, there is no such thing as a one-size-fits-all solution to growing your company.

Depending on your company size and a few other criteria, some strategies will work better for you than others. To find out exactly what to do in your current stage, here's what the most successful Dragons in the world have already figured out.

All you need to do is follow their proven Dragon 100™ Path.

You can't build a great legacy on a weak foundation. Even if you're already generating \$1 million+ in annual revenue, as a Dragon, you start at Stage 1.
